recipe changes

nutty blends mangoes, pears + almonds
I now have more pear and nutty almond flavour, and less sweet mango than before

pears, peaches + baby rice
My texture is a little thicker and slightly grainier

strawberry yogurt
I'm now a little creamier and more yogurt-y in taste

mango yogurt
I'm now a little creamier and more yogurt-y in taste

berry yogurt
I'm now a little creamier and more yogurt-y in taste

dairy free banana yogurt
I'm now a little creamier and more yogurt-y in taste

the purple one
I now have a new and improved recipe, but with the same great taste

the orange one
I now have a new and improved recipe, with the addition of papaya and removal of orange juice

the green one
I now have a new and improved recipe, but with the same great taste

peaches + bananas
I now have a new and improved recipe, but with the same great taste

bananas + apples
I now have a new and improved recipe, but with the same great taste

blueberries, apples, bananas + vanilla
I now have a new and improved recipe, but with the same great taste
